Safety Solvent Cleaner

- Dissolves adhesives, cured urethanes and Hard-to-clean Residues
- Organic
- Biodegradable
- High Flashpoint

Oil-Flo 141
works on
everything
washable!

Oil Flo 141™ Safety Solvent Cleaner. Dissolves adhesives, cured urethanes, and other hard-to-clean residues, organic stains and substances. This amazing cleaner will quickly remove adhesives of many types - including:

- Mastic
- Cured urethane
- Latex
- Petrochemical-based adhesives

Also dissolves:

- Grease
- Oil
- Waxes
- Creosote
- Resin
- Chewing gum
- Crayons
- Tree pitch
- Tire marks
- Lipstick
- Other difficult material

Safe on all surfaces, including:

- Metal
- Wood
- Carpet
- Fabrics
- Concrete
- Stone
- Glass
- Masonry
- Ceramics

Contains no water, but is water soluble, making cleanup a snap with a water rinse. 100% active ingredients in a unique high-tech proprietary blend. Water soluble and recommended for many interior applications.

Oil-Flo 141 also removes urethane adhesive better than any other product on the market.
